

Looking for a new way to promote yourself:
your service, your business, online?

*Flowers Of The Forest is an online digital TV show
focusing the stories of the people who live in The
Forest of Knaresborough.*

**Do you live, work and play in and around:
The Forest of Knaresborough?**

Would you like to be part of a local network of people supporting the life, work, culture, heritage and nature in this beautiful part of the world?

Why not get involved; become a flower in our forest. We would love to know your story. Share your love and passions for this place, your memories and your hopes for the future.

Mark Anthony Smith

Media Producer and Voiceover Artist.

Mark has produced projects for a wide variety of clients including a High-End Broadcast TV Pitch to the BBC. He is currently developing a new online digital channel to document the people and places, from past-to-present, in and around the Forest of Knaresborough.

The project was created from his passion for genealogy and the discoveries he uncovered in his local area.

"I love helping people to express themselves and I'm passionate about telling stories."

Mark Anthony Smith

Businesses

We all work, live and play in the forest together, so it's natural that businesses should be part of our journey. Let's all celebrate and share what we all do.

Being part of this journey doesn't cost anything, only your time. So why not connect and become part of a passionate network of like-minded people, who wish to share, learn and enjoy the wonder of this beautiful part of the world together.

If you would like to be more involved as an individual or business, we offer professional media services to in the following ways:

Filming & Editing

Create professional content: a promotional interview video, sharing more of what you do at work or play.

Sponsor

Why not sponsor a film on the Forest of Knaresborough? (details below)

How do I have an interview filmed?

Contact us to discuss your requirements. We will arrange to meet to have an informal, friendly chat about whatever you want to say.

The key is to talk freely, without preparation. We would ask all the questions to prompt you to express your passions in business and life in a truthful relaxed way.

The chat is recorded discreetly on the latest advanced mobile digital technologies, so as not to make you feel uncomfortable in any way. We then record a selection of images to use in the final video to enhance your story.

Final Cut Pro Editing

The footage is then imported into the edit suite where all the magic happens. The first draft is then presented to you privately online for your approval. Once you're happy, the video goes live for the world to enjoy.

Price

The service takes two days to complete at a total cost of **£650.00** for each video.

Special introductory offer for new clients with a generous **£150.00** off. Just **£500.00** for your finished video up to 8 minutes in length.

We can additionally split your video in two, to create two videos for **£250.00** each.

We're sure you would agree this is an amazing offer, to help you, tell your story.

We will top and tail the video with your branding so you can embed the finished media on your own website.

The video is also broadcast on our YouTube Channel allowing you the ability to share across your social media platforms.

Sponsored Videos

Our short documentary videos are informative and entertaining. You can sponsor a film and have your branding attached. Videos can be made on a subject of your choice from the Forest of Knaresborough.

A story can change the world.

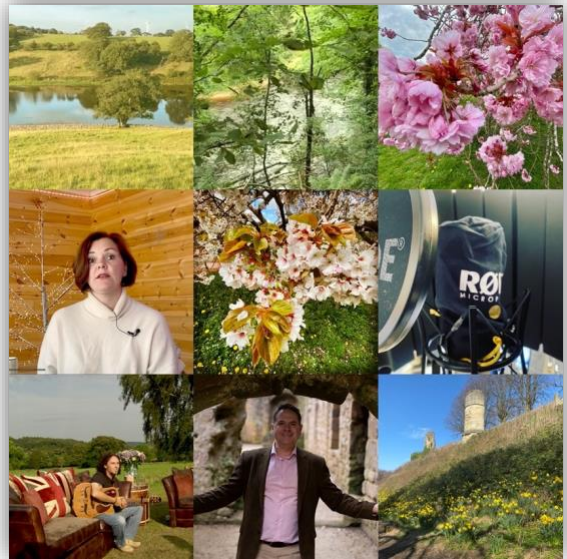

What is your passion: your work, your family, your home?

Your stories matter. At Flowers Of The Forest we are passionate about telling stories and have developed our advanced mobile photography and videography, to empower people to make their stories heard.

The discrete technologies allow you the freedom to express your feelings in a truthful way.

Our filmmakers have years of experience in directing and producing, helping you to share your stories, passionately, clearly and effectively.

From Hollywood to Harrogate we provide the building blocks to innovate, to shape the new generation of storytelling. Our videos are created using the very latest technologies, to provide an accessible and affordable solution for your communication needs.

“Marks relaxed attitude makes it easy to chat and discuss your work and business on camera. I was surprised how quickly the whole process was. Mark was a pleasure to work with.”

JOSEPH HAYTON

We live in an online world; digital technology is shaping our lives faster than we could have ever imagined.

At mark1voiceover we are excited and passionate about using our mobile platforms, utilising applications that offer the most powerful technology accessible to humans, which makes the best tools to capture, produce and share stories today.

Join our digital revolution. We'll be waiting to tell your story.
